## TRACY CABINET SINKS CAN BE EQUIPPED FOR INSTALLATION OF G. E. DISHWASHER MODEL M-15, R-15 or E-15

Tracy SilviSheen Stainless Steel, PermaSheen DeLuxe, and PermaSheen Imperial Cabinet Sinks are now available for permanent installation of the G. E. Dishwasher Model M-15, R-15 or E-15.

With Tracy Cabinet Sinks, you can offer the advantages of the G. E. Dishwasher in almost any type or size of sink and work surface without the disadvantages of separate top and work surface with dirt-collecting, unsanitary joints. Custom-made Tracy cabinet sink tops can be furnished in any length in fractional inch increments, with both the bowl and the dishwasher unit located as desired.
